Royals in the Community

The Kansas City Royals strive to be a winning organization, both on and off the field. Committed to making a difference, the Royals dedicate countless hours to civic and charitable endeavors to enhance the quality of life for area citizens. By supporting impactful programs that invest in youth, education, and neighborhoods, the Royals collaborate with our community partners to shape the future of Kansas City.

Through Royals' community efforts and Royals Charities, the charitable arm of the ballclub, organizations receive financial donations, as well as in-kind support including memorabilia, tickets and publicity. Under the leadership of the Glass Family, Royals Charities has donated more than $1 million to the community since 2001.

Royals players, coaches, front office personnel, alumni and Sluggerrr make hundred of public appearances each year. By hosting and participating in youth baseball clinics, school assemblies, hospital visits, autograph sessions, speaking engagements and numerous charity fund-raisers, players and staff positively affect the lives of many fans.

Royals community outreach events and Royals Charities activities focus on three specific areas: youth, education and neighborhoods. A few signature events and partnerships are outlined on the following pages.

Royals in the Community

Greater KC Day:

Opening Day 2004 marks the 17th annual Greater KC Day, a city-wide effort spearheaded by the Royals, The Kansas City Star and area Rotary Clubs to make a difference for Kansas City's youth. Hall of Famer George Brett, and Chiefs CEO/President Carl Peterson are co-chairmen of the event and will lead more than 1,500 volunteers, celebrities and community leaders in selling special editions of the Kansas City Star on street corners and main thoroughfares throughout the metropolitan area.

Proceeds from the sales of the papers will benefit Rotary Youth Camp and approximately a dozen children's charities in Kansas City.

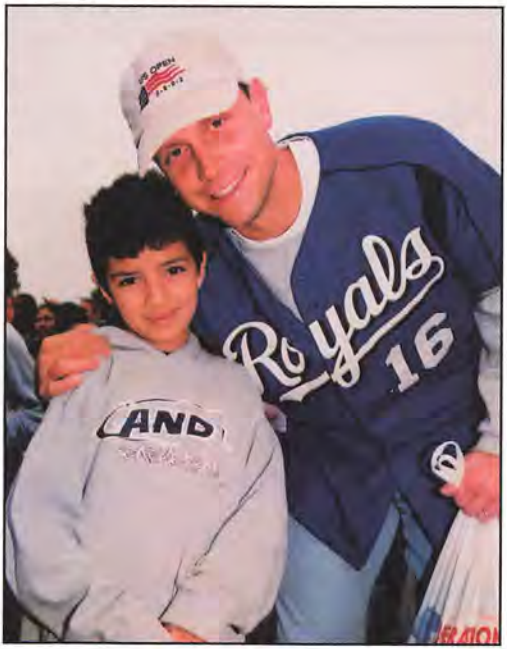
Reviving Baseball in the Inner City (RBI):

In cooperation with the Boys and Girls Clubs of Greater Kansas City, the Royals provide a positive baseball environment during the summer months for more than 800 youth in the RBI Program. RBI provides boys and girls ages 5-18 the opportunity to play organized baseball and softball, while placing emphasis on life skills including teamwork and leadership.

Operation Blessing, Feeding Families:

On May 15, the Royals will team up with the Kansas City Chiefs for Operation Blessing, a grassroots food distribution in downtown Kansas City, Kansas.

Thousands of children and adults will come to the JFK Community Center for free groceries and to meet their favorite professional athletes.



Royals Wives Fight Childhood Hunger:

In honor of National Hunger Awareness Day, the Royals Wives will continue their work to alleviate childhood hunger by hosting the 22nd annual Royals Wives Food Drive on June 4-5.

A benefit for Harvesters-The Community Food Network, the Royals Wives Food Drive has provided more than 500,000 meals for area citizens.

DAVID GLASS

OWNER/CHIEF EXECUTIVE OFFICER

David D. Glass became Owner and Chief Executive Officer of the Kansas City Royals on April 18, 2000 after serving as Chairman of the Board of Directors of the Royals since Sept. 23, 1993.

The former President and Chief Executive Officer of Wal-Mart Stores, Inc., Glass joined the company in 1976. Before assuming his position at Wal-Mart, he was general manager of Consumer Markets, a grocery chain in Springfield, Mo.

In his position as Executive Vice President of Finance for Wal-Mart Stores, he administered the overall financial and accounting responsibilities of the company prior to his appointment as Vice Chairman and Chief Financial Officer. He served in that role until 1984 when he was named President and Wal-Mart's Chief Operating Officer. In 1988 he was named Wal-Mart's Chief Executive Officer. He stepped down from the position in January of 2000.

Glass was active in the company's growth from 125 stores in 1976 to its present operation, which includes more than 4,000 Wal-Mart stores, supercenters, and Sam's Clubs throughout the United States and internationally.

Glass was named Retailer of the Year by members of the retail industry in 1986 and 1991 and was inducted into the Retail Hall of Fame in August, 2000. Mr. Glass has been named Most Admired CEO by *Fortune Magazine* and was tabbed as the 1995 Chief Executive Officer of the Year by *Chief Executive Magazine*.

He is a member of the Board of Wal-Mart Stores, Inc., and the Baseball Hall of Fame.

A native of Mountain View, Mo., Glass graduated from Southwest Missouri State University in Springfield and serves as a member of their alumni association. In 1988, the SMSU College of Business was named David D. Glass Hall in honor of his support and dedication to higher education.

Glass and his wife, Ruth, are the parents of three children, Dan, Don and Dayna.

DAN GLASS
PRESIDENT

Dan Glass enters his fourth season as President of the Kansas City Royals and oversees all aspects of the Royals organization. Glass has been instrumental in the formation of the Royals Television Network, L.L.C. and serves at Chief Executive Officer of the company. He also serves on the Royals Charities Board of Directors.

Glass previously worked in the Royals Baseball Operations Department from 1993-98. He joined the club as the Baseball Operations Assistant before being named Assistant Director of Player Personnel in 1996, where he assisted with the day-to-day operations of the Major League club and the Player Development and Scouting Departments.

In addition, he was responsible for the coordination and development of the Royals Latin America program. Under Glass's guidance a comprehensive program to enhance the Latin America program was implemented, specifically including lengthening the playing season in the Dominican Republic from four months to 10, adding scouts and instructors in the Dominican Republic and Venezuela and upgrading the facilities in the Dominican Republic. He also initated classes for Spanish speaking players, teaching them English and how to adapt to American culture.

Prior to joining the Royals, he spent six years as an owner in the jewelry retail business and worked in Glass Enterprises focusing on real estate development projects.

He attended Southwest Missouri State University and graduated from Drury College with a Bachelor's Degree in Business Administration. Before entering college, Dan worked in management for five years with Wal-Mart in Fayetteville, Ark., and as a Assistant Manager in Tahlequah, Okla., Tulsa, Okla., and Carbondale, Ill.

Dan resides in Olathe, Kan., with his wife, Penny. He has a son, Dayne, and daughter, Danielle.

SPENCER T. "HERK" ROBINSON

EXECUTIVE VP & CHIEF OPERATING OFFICER

Herk Robinson begins his 34th year with the Kansas City Royals and his fourth as the Executive Vice President and Chief Operating Officer. In addition, Robinson serves on the Royals Charities Board of Directors.

He served as the Royals General Manager for 10 seasons prior to being named to his current position. During his stint as General Manager, which began on Oct. 10, 1990, Robinson pushed for the Royals Minor League pipeline to pump quality talent to the Major League level, as it did in the 1970's through mid-1980's.

During his tenure as General Manager, Robinson and his staff reshaped the organization's Major and Minor League operations. In 1994, the Royals were named Organization of the Year by Topps, *Baseball America* and *USA Today*. In 1995, Topps tabbed the Royals and New York Mets as co-winners of baseball's Organization of the Year award and the Royals finished second to the Oakland Athletics for the top spot in 1998.

Robinson's tenure with the Royals extends far beyond his current title. He and the late Joe Burke are the only Royals executives to have worked in virtually every aspect of the club's baseball and administrative operations. Robinson joined the club just after its inaugural season in December of 1969 as Assistant Scouting Director. He was steadily promoted up the Royals ladder as Director of Operations in 1973, Vice President in 1975 and Executive Vice President for Administration in 1981. This well-rounded background makes him a solid leader for the Royals.

Before joining the organization, Robinson worked for the Cincinnati Reds as the Assistant Scouting Director from 1962-67 and the Baltimore Orioles as a Territorial Scout in Illinois, Iowa, Kansas and Nebraska in 1968.

Herk was honored at the 2001 Kansas City Baseball Awards Dinner with the "Mister Baseball" Award, which is presented to a person who has contributed greatly to further the cause of professional baseball in Kansas City.

Born June 25, 1940, Robinson attended the University of Miami (Fla.) and Washington University in St. Louis. He and his wife, Kathy, reside in suburban Kansas City.

ALLARD BAIRD

SENIOR VP & GENERAL MANAGER-BASEBALL OPERATIONS

Royals General Managers

- Cedric Tallis (1969-June, 1974)
- Joe Burke (1974-Oct., 1981)
- John Schuerholz (1981-Oct., 1990)
- Herk Robinson (1990-June, 2000)
- Allard Baird (2000-Present)

Allard Baird is entering his fourth full season as General Manager of the Royals after serving as the Vice President and Assistant General Manager-Baseball Operations since September, 1998. He was named the fifth general manager in franchise history on June 17, 2000. He signed a two-year contract extension following the 2003 season, signing him through 2006.

Since taking over as General Manager, Baird has implemented a long-term strategy to develop talent at the minor league level, as well as an attitude to win throughout the organization.

Baird has constructed a top-notch baseball operations staff, revamped his team of minor league personnel and overseen the expansion of the Royals professional scouting and international scouting efforts. The Royals latest scouting efforts have included South America, South Africa and Asia. These endeavors have led to the signing of four minor leaguers from South Africa and several free agents from Japan over the past three seasons.

Baird's top addition during his tenure has been the hiring of manager Tony Pena. Baird gave Pena his first Major League managerial position in 2002. Pena helped the Royals recover from a disappointing 2002 season by leading Kansas City to an incredible turnaround that was rewarded with A.L. Manager-of-the-Year honors.

George Brett - #5

Third Baseman, 1973-1993

George Brett wrapped up a 21-year Hall of Fame career with the Royals in 1993 after establishing himself as one of the greatest baseball players to ever play the game.

He became the only Royal and just the 11th 3rd baseman to be inducted into the Hall of Fame on July 25, 1999 after receiving 98 percent of the votes, the 4th-highest mark in history. He had his number retired by the Royals May 14, 1994.

At the conclusion of Brett's career, he was the only player in Major League history to amass more than 3,000 hits, 300 home runs, 600 doubles, 100 triples and 200 stolen bases. He was the first player to win batting titles in 3 decades (1976, 1980, 1990) and retired as the A.L. career record holder for most intentional walks (229).

A 13-time All-Star, Brett is the club's all-time leader in every offensive category except stolen bases. He was the American League MVP in 1980, finished as the MVP runner up in 1976 and 1985, was a Gold Glove Award winner in 1985 and was crowned the Royals Player of the Year eight times.

Brett hit .390 in his MVP season, posting the highest batting average since Ted Williams' .406 mark in 1941.

Born May 15, 1953 in Wheeling, W.V., he captivated the baseball world with his performance in the 1985 ALCS and World Series, earning ALCS MVP honors after the Royals rallied from a 3 games to 1 deficit against the Toronto Blue Jays.

Brett posted a .373 career World Series average, going 19-for-51 in 13 games, with 3 doubles, 1 triple, 1 home run and 4 RBI. He holds numerous ALCS records after recording a career batting average of .340 in the league championship.

He culminated his career with his 3,000th hit on Sept. 30, 1992. Overall, he guided the Royals to seven postseasons and two World Series. During his 21-year career with the Royals, Kansas City posted 15 winning seasons, including 8 seasons with at least 90 wins.

Frank White - #20

Second Baseman, 1973-1990

Frank White was *the* defensive star for the Royals from 1973 to 1990, winning 8 Gold Gloves, an American League record for 2nd basemen at the time. Hall of Famer Bill Mazeroski (8), Ryne Sandberg (9) and Roberto Alomar (10) are the only 2nd basemen in Major League history to accomplish the same feat. His number 20 was retired and he was inducted into the Royals Hall of Fame in 1995.

White claimed the Gold Glove award 6 straight seasons from 1977 to 1982 and missed an unprecedented 9th award in 1988 after committing just 4 errors that season and leading the league in fielding percentage.

He was selected to the All-Star team 5 times and earned the starting nod at 2nd base in 1979. White, who ranks 7th in career fielding percentage among all-time 2nd basemen, was named the Royals Player of the Year in 1983 and 1986.

A native of Kansas City, White was tabbed as the ALCS MVP in 1980 after hitting .545 (6-for-11) and driving in 3 runs to lead Kansas City to its first-ever World Series by defeating the New York Yankees.

In the Royals 1985 World Series, White led all players with 6 RBI, hitting 3 doubles and a home run as KC rallied from a 3 games to 1 deficit to beat St. Louis.

Following his career-best 1986 season, White was selected to the Major League All-Star team that toured Japan in the offseason. He was also named to *The Sporting News* Silver Slugger Team.

The Royals 1st-ever graduate of the experimental Royals Academy, White ranks 2nd on the club's career charts in games (2,324), at bats (7,859) and hits (2,006). He also stands in the top 5 in career runs, doubles, home runs, stolen bases, total bases, and extra base hits. He also hit 3 inside-the park home runs during his playing career with the Royals.

White was honored with the Ernie Mehl Award for his contribution to the Kansas City community in 1988.

Career Honors

- Inducted into Royals Hall of Fame and had number retired in 1987
- Managed Royals during 1985 World Series title season
- Ranks 2nd in Royals history with 404 wins as Royals manager
- Directed Royals to 3 division titles
- Guided KC to a 91-71 record in 1985, tied for 3rd-most wins in franchise history
- ESPN Manager of the Year in 1984
- Named to 1961 All-Star Team

Dick Howser managed the Royals from Aug. 31, 1981 to Feb. 23, 1987 before losing a courageous battle to cancer on June 17, 1987. During Howser's regime, the Royals won 3 division titles and a World Championship in 1985. His uniform number 10 was the 1st number retired by the Royals.

One of Major League Baseball's most successful and popular managers, he compiled a 404-365 record (.525) while guiding the Royals.

He guided the club in 1 of the most remarkable and endearing comebacks in Major League postseason history, defeating Toronto in the ALCS and St. Louis to win the 1985 World Series. His skills and ability to maneuver the lineup and roster played an important role in the club's success, as he capitalized on a strong starting pitching staff and maximized an offense that ranked 13th in average and runs scored.

Howser's World Series season was quite an encore for a manager who was named the ESPN Manager of the Year and finished second in the Baseball Writer's Manager of the Year balloting in 1984. His 1984 edition was hampered by injuries throughout the year as his starting lineup was together for only 50 of the 162 games. Despite the injuries, he guided the Royals from a 6th-place standing and a 40-51 record on July 18, to capture the A.L. West crown by compiling an astonishing 44-25 record over the last 10 weeks.

Overall, he compiled a 507-425 (.544) record at the big league level after guiding the New York Yankees to 103 wins in 1980, becoming just the 4th manager in baseball to win 100 games in his 1st year.

Howser began his professional career after twice earning All-America honors at Florida State. The 1961 *Sporting News* Rookie of the Year with the Kansas City A's, he was a member of the 1961 All-Star team and enjoyed an 8-year Major League playing career.

Denny Matthews, who has been behind the microphone for the Royals since the club's 1st game in 1969, will be inducted into the Royals Hall of Fame during the 2004 season. He is set to be inducted on Aug. 7 prior to Kansas City's 6:10 p.m. game with the Anaheim Angels.

Matthews, who will celebrate his 36th season with the Royals in 2004, is the 1st non-uniform inductee into the Royals Hall of Fame since 1996 when former Royals First Lady Muriel Kauffman was inducted.

Matthews, the "Voice of the Royals," has spent his entire 35-year career with the Royals. He is in rare company among his peers, as he has broadcast exclusively for the same team, without interruption, in 5 different decades. As one of the most tenured announcers in Major League Baseball history, he ranks 7th among 178 current announcers for years of service with the same club, behind Vin Scully, Los Angeles (54 years); Milo Hamilton, Houston (51); Jaime Jarrin, Los Angeles-Spanish Radio (45); Herb Carneal, Minnesota (42); Bob Murphy, New York Mets (42); and Ralph Kiner, New York Mets (42). He is tied for 10th among current announcers in total years of service.

Matthews has seen more Royals games than anyone else during his 35 years with Kansas City. He began his career with Kansas City after he was initially chosen from more than 300 applicants for the number 2 announcer position alongside Bud Blattner prior to the Royals inaugural season in 1969. He then took over the number 1 job following the 1975 season. He teamed with Fred White from 1974-1998 before Ryan Lefebvre joined him in the booth in 1999.

The veteran broadcaster has also lent his play-by-play skills to the CBS Radio Network during portions of the regular season and during the 1982 and 1985 World Series.

A native of Bloomington, Ill., Matthews graduated from Illinois Wesleyan in 1966 after lettering in football and baseball for 3 years. He finished 8th in the nation (NAIA) in pass receiving in 1965. Matthews was inducted into Central Catholic High School's Hall of Fame in 2001.

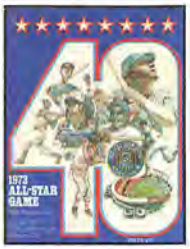
1973 All-Star Game

GAME SUMMARY:



Kansas City was the site of the 40th Major League Baseball All-Star Game in 1973 where the National League handed the American League a 7-1 loss.

The game marked the final All-Star appearance of Willie Mays and was attended by members of the 1st All-Star Game in 1933, including Carl Hubbell, Bill Hallahan, Lefty Gomez, Dick Bartel, Lefty Grove, Jimmie Dykes and Charlie Gehringer.

The A.L. jumped out to a 1-0 lead after a double from **Reggie Jackson** and an RBI single from KC's **Amos Otis**. However, the N.L. All-Stars countered with 2 runs in the top of the 3rd and also scored in the 4th, 5th and 6th innings. **Rick Wise** earned the win for the N.L. after allowing 2 hits and 1 ER in 2.0 innings of work.

Bobby Bonds was named the game's MVP, coming off the bench to go 2-for-2 with a 2-run homer in the 5th inning, giving the N.L. a 5-1 lead.

Johnny Bench hit one of the most mammoth home runs in the history of the Mid-Summer Classic, launching a 480-foot solo shot off Bill Singer in the 4th inning over the left field concourse. His homer still stands as the longest in Kauffman Stadium history.

The game featured 15 future Hall of Famers, including **Hank Aaron**, **Willie Mays**, **Rod Carew**, and **Brooks Robinson** to name a few. The game also featured 3 Royals - **Amos Otis**, **John Mayberry** and **Cookie Rojas**. Otis led the A.L. players, going 2-for-2 with the team's only RBI.

Dick Williams managed the American League and was joined by coaches **Whitey Herzog** and **Chuck Tanner**. The National League was managed by **Sparky Anderson**, who was joined by coaches **Gene Mauch** and **Bill Virdon**.

Kauffman Stadium (then Royals Stadium) was the host of the 1973 All-Star Game which featured 16 future Hall of Famers.

Kansas City rallied from a 2-games to 0 and a 3-games to 1 deficit to capture their 1st World Championship by defeating the St. Louis Cardinals in the "I-70 Series"...the Royals became the 1st club in the 82-year history of the Fall Classic to lose their first 2 games at home and come back to win the title...KC was only the 5th team on record to come back from a 3-1 deficit and win the Series...the Royals became the first AL expansion club to win a World Championship and the 2nd expansion team overall, joining the New York Mets...KC's talented and youthful pitching staff held the Major League's best hitting club to 13 runs and a batting average of .185—the lowest ever in a 7-game World Series...George Brett, Willie Wilson, Lonnie Smith and Steve Balboni all hit over .300 during the Series...Bret Saberhagen earned Most Valuable Player honors with 2 wins and a 0.50 ERA.

Game 1 • at Kansas City • Saturday, Oct. 19
John Tudor and Todd Worrell combined on an 8-hitter...the Cardinals turned a leadoff walk and a 1-out ground out in the 3rd inning into their 1st run, a Cesar Cedeno run-scoring double in the 4th and then a misplayed line drive by Lonnie Smith into the final run in the 9th...the Royals tried a suicide squeeze (Buddy Biancalana failed to connect) and Darryl Motley was out at the plate...they tried scoring Jim Sundberg from 3rd on a Steve Balboni pop up, but Terry Pendleton made an over-the-shoulder catch and a perfect throw to the plate.

2003 Notes: The Angels claimed the season series for the 6th time in 7 seasons and have not lost a season series to the Royals since 1996...in a strange scheduling twist, Kansas City was forced to play 1 of their regularly-scheduled home games in Anaheim, as the Aug. 30 game and subsequent doubleheader game on Aug. 31 were both rained out in Kansas City...the Royals then dropped both ends of a crucial doubleheader in Anaheim on Sept. 6, falling 3 games off the pace in the A.L. Central...although the Royals failed to win the season series for the 7th-straight year, Kansas City still has more victories over Anaheim (241) than against any other club outside the A.L. Central Division...the Royals and Angels are tied at 113-113 in Kansas City with the Royals holding a 128-112 advantage in Anaheim in the 35-year history of the rivalry...the Royals were 0-2 at home and are 10-7 at Kauffman Stadium the past 4 seasons...the Angels have won 9 of their last 12 at home and have a 16-9 home mark during the last 4 campaigns...the Angels hold a 25-20 edge in KC since 1995.

Royals Sports Television Network

The inception of the Royals Sports Television Network, LLC prior to the 2003 season marked the beginning of a new era in Royals television broadcasts. Once again in 2004, RSTN will distribute 100 regular season Royals telecasts to participating cable operators and satellite providers throughout the Royals television territory in order to enhance the Royals regional presence.

The veteran broadcaster has also lent his play-by-play skills to the CBS Radio Network during portions of the regular season and during the 1982 and 1985 World Series.

Matthews graduated from Central Catholic High School in Bloomington, Ill., and was inducted into the school's Hall of Fame in August, 2001. He is a 1966 graduate of Illinois Wesleyan where he lettered in football and baseball for 3 years and finished 8th in the nation (NAIA) in pass receiving in 1965.

Photographers will be assigned to photo bays on the field at either end of each dugout or the bay located in the main press box. Photographers in the dugout field boxes should leave between innings only. Photos are allowed during batting practice, but photographers should remain in foul territory in the area behind the first and third base bags. Photographers should assume their assigned positions at the conclusion of batting practice.

Kauffman Stadium

Adding age to its beauty, the Kansas City Royals will celebrate their 32nd season at Kauffman Stadium in 2004.

Ewing M. Kauffman

Opened as Royals Stadium on April 10, 1973, it is recognized throughout baseball as one of the game's most beautiful ballparks. Since then, many exciting games have been contested, including the 1973 All-Star Game, 3 no-hitters, playoff games in 1976, '77, '78, '80, '81, '84 and '85 and 7 World Series tilts in 1980 and 1985. The facility was officially re-named in honor of Ewing M. Kauffman in a ceremony at the stadium on July 2, 1993. Since its opening, a total of 56,159,975 people have visited the stadium, including a record 2,477,700 in 1989.

For the 2004 season, the outfield fences in the gaps and in straight-away center field have been moved back 10 feet to their original dimensions of 385 and 410, respectively, making Kauffman Stadium one of the most spacious parks in Major League Baseball. In addition, the warning track has been changed to a natural surface, and the height of the fence will now be at 8 feet. The fences were moved in 10 feet from bullpen to bullpen prior to the 1995 season and lowered from 12 feet to 9 feet. Also at that time, a grass playing field replaced the artificial surface at Kauffman Stadium.

Kauffman Stadium's unique features include a 12-story high scoreboard and a 322-foot wide water spectacular. The scoreboard contains 16,320 light bulbs, most of them on the 40 by 60 foot screen. The water spectacular is the largest privately funded fountain in the world.

Added in 1990 was a state-of-the-art Sony JumboTron color video display board installed on the left field hillside. Measuring 30 by 40 feet, it's one of the largest video boards in the U.S. The top of the board features the Royals logo. In keeping with the architecture of the stadium, the existing water spectacular featuring cascading water now extends to the left field corner.

Prior to the 1999 campaign, additional field level seating, known as "Crown Seats" and 4 dugout suites were added. The Picnic Pavilion was added near the base of the JumboTron in leftfield for groups attending the games the following year.

The re-naming of the stadium was appropriate in that it was the strength and integrity of Ewing M. Kauffman's ownership that provided the cornerstone for the Royals success. Kauffman purchased the club as an expansion franchise in 1968 with the primary and continuous motivation of providing winning Major League Baseball for Kansas Citians. Kauffman, who founded Marion Laboratories in his mother's basement and built it into a diversified health care company with sales reaching nearly one billion dollars, possessed a sense of daring and an innate ability to motivate those around him. Mr. K also gave much personal attention to the Kansas City community, an important philosophy that was inbred into the Royals organization and still remains today.

Among the awards Mr. Kauffman won for his leadership include the Kansas City Press Club's 1973 Man of the Year, the "Mr. Baseball" honoree at the Kansas City Baseball Awards Dinner in 1976 and 1991 and induction into the Missouri Sports Hall of Fame. He also received the Horatio Alger Award, the Golden Plate Award from the American Academy of Achievement, the Kansas City Chamber of Commerce "Kansas Citian of the Year" Award and the Distinguished Service Award from the American Legion. Mr. K passed away on Aug. 1, 1993.

Baseball Rules/Terminology

Definition of a Night Game: Any game scheduled to start after 6 p.m. will be considered a night game. If a game is scheduled to start at 6 p.m. and is delayed by rain, or for any other reason, it will be considered a day game. If a game is scheduled to start at 6:01 p.m. it will be considered a night game. Twi-night doubleheaders shall be included in doubleheader statistics and shall be considered two night games. When afternoon and night games are played on the same date with separate admissions, the games shall be day and night and count as single games.

Designated for Assignment: Allows a club to open up a roster spot while waiting for a player to clear waivers, which can take up to 10 days.

Designated Hitter Rule: A hitter may be designated to bat for the pitcher in any spot in the batting order in any game without affecting the status of the pitcher. The designated hitter must be selected and be included on the lineup cards presented to the umpire-in-chief prior to the game. Failure to do so precludes the use of a designated hitter for that game. The designated hitter is "locked" into the batting order but may be removed for a pinch-hitter or pinch-runner, who in turn becomes the designated hitter. The designated hitter, while still in the game, may be used defensively but the pitcher then assumes the batting order of the replaced defensive player, thus terminating the designated hitter role. The designated hitter is eligible for all American League batting titles.

Disabled List: There are two disabled lists (15-day and 60-day). Players can be disabled retroactively, up to a maximum of 10 days, beginning with the day after the last day on which they played. A player on the 15-day DL may be shifted to the 60-day DL at any time. Players may be assigned to a Minor League club for the purpose of injury rehabilitation for a maximum of 20 days (30 days for pitchers).

Figuring Magic Number: To determine a team's "Magic Number" in the pennant race, compute the number of games remaining, add one, then subtract the number of games ahead in the loss column of the standings of the closest opponent.

Major League Trading Regulations
The trading deadline for all inter- and intra-league deals is midnight July 31. Waivers are required for all inter- and intra-league deals from August 1 until 5:00 p.m. (EDT) the day after the regular season concludes. No waivers are required the remaining 10 months of the year.

Options: When a player is on the 40-man roster but not on the 25-man Major League roster, he is on "optional assignment." Each player has three option years and he can be sent up and down as many times as the club chooses within those three seasons. When a player is "out of options" that means he's been in the majors during three different seasons and in his fourth professional season, to be sent down, he will have to clear waivers.

Outright: To assign a player to a club's Minor League affiliate without the right of recall. Player is removed from the 40-man roster.

Pinch Hitter Rule: A player shall be considered a pinch hitter only if he enters the game as a substitute batter and then only on his first time at bat which must be before he becomes a fielder. (If the team bats around and a pinch hitter comes up a second time in the inning in which he first appeared, he will not be considered a pinch hitter during that second time up).
A substitute hitter for a designated hitter is both a pinch hitter and a designated hitter on his first time at bat. On subsequent trips to the plate he is a designated hitter only.

Recalled vs. Contract Purchased: If a player is on the 40-man roster he is "recalled." If not, then his contract is purchased (for a nominal fee) from the Minor League team. A player must be added to the 40-man roster when his contract is purchased.

Roster Limitations: Rosters are limited to 25 players from Opening Day through August 31 and 40 players from September 1 through the conclusion of the season. Players in military service do not count against the under control list while on active duty. Upon separation from the service, a player will be reinstated to his club's normal player limits after he has completed a 15-day trial period or has participated in a championship game, whichever comes first.

Rookie Qualifications: A player shall be considered a rookie unless, during a previous season or seasons, he has: a. exceeded 130 at-bats or 50 innings pitched in the major leagues; nor b. accumulated more than 45 days on the active roster of a major league club or clubs during the period of the 25-player limit (excluding time in military service). Once a player reaches the minimum at-bats or innings pitched, days of service are irrelevant.

Baseball Rules/Terminology

Rule 5 Draft: A player not on the Major League 40-man roster is eligible for the Rule 5 Draft in December if: 1. The player was 18 or younger when he signed a pro contract and this is the fourth Rule 5 Draft since he signed; or 2. He was 19 or older when he first signed a pro contract and this is the third Rule 5 Draft since he signed.

Save Rule: Saves shall be awarded to relief pitchers under the following criteria: Rule (10.20) tells the official scorer to credit a pitcher with a save when he meets all three of the following conditions: 1. He is the finishing pitcher in a game won by his club; 2. He is not the winning pitcher; and 3. He qualifies under one of the following conditions: a. He enters the game with a lead of no more than three runs and pitches for at least one inning; or b. He enters the game with the potential tying run either on base, or at bat, or on deck (that is, the potential tying run is either already on base or is one of the first two batsmen he faces); or c. He pitches effectively for at least three innings.

Select: To add a player from a Minor League affiliate to the club's 40-man roster. During the season, the player must report to the active 25-man roster or be assigned optionally to the Minor Leagues.

Suspended Game Rule: A game terminated for any of the following reasons will be a suspended game if it has progressed far enough to be an official game (i.e. 4 1/2 or 5 innings): 1. A curfew imposed by law; 2. A pre-arranged time limit; and 3. Darkness where local law prohibits turning on the lights or where lights are not available.

Light Failure: A game terminated by light failure or malfunction of a mechanical device under the control of the home club will be a suspended game **anytime after it starts**.

Inning in Progress (Added in 1980): If weather forces the termination of a legal game while an inning is in progress, it will become a suspended game if either of the following conditions exists: 1. The **visiting team** has scored one or more runs to tie the game, and the **home team** has not scored; 2. The **visiting team** has scored one or more runs to take the lead and the **home team** has not tied the score or retaken the lead.

Note: If a legal game is **tied** when called because of weather and neither of the above situations prevails, it is a **tie game** and must be **replayed in its entirety**.

Procedures for Resumption of Play: Suspended games shall be resumed at the exact point of suspension immediately preceding the next single game between the 2 clubs on the **same ground**. If that is not possible, other provisions for resumption are specified in A.L. Regulation 5.2 (c).

Umpire Interview Policy: Major League umpires shall cooperate with the news media concerning controversial plays, protested games and unusual incidents, ejections, etc. Any unusual play should be explained to the press box, usually between innings. Umpires are available for post game interviews relative to unusual or controversial happenings. The senior umpire is in charge of such interviews and will act as a spokesman for the "crew."

Waivers: If a player placed on Major League waivers is not claimed by another team within three business days after waivers have been requested, then the player has "cleared waivers", and the team has secured waivers for the remainder of the waiver period. The team then can do one of three things: 1. Send him to the minors (subject to his consent, if he is a "Veteran Player"); 2. Release him, which makes the player a free agent and thus available to sign with any team; and 3. Trade him to another team, even if the trading deadline has passed.

Note: Any trades after July 31 may only involve players who have cleared waivers. If a player does not clear waivers (claimed by another team or teams), the club requesting waivers may withdraw the waiver request. If the club does not withdraw the waiver request, the player's contract is assigned in the following manner: 1. If only one claim is entered, the player's contract is assigned to that claiming club; 2. If more than one club in the same league makes claims, the club currently lower in the standings gets the player; and 3. If clubs in both leagues claim the player, preferences shall always go to the club in the same league as the club requesting waivers.

Batting Average—divide the total number of safe hits **by** the total times at bat.
Slugging Percentage—divide the total bases of all safe hits **by** the total times at bat.
Pitchers Earned Run Average—multiply the total earned runs **by** 9, and **divide** the result **by** the total number of innings pitched.
Fielding Percentage—divide the total putouts and assists **by** the total putouts, assists and errors.
Won-Loss Percentage—divide the number of games won **by** the total games won and lost.
On-Base Percentage—divide hits plus total bases on balls plus hit-by-pitcher **by** at-bats plus total bases on balls, hit-by-pitcher and sacrifice flies (for purposes of this percentage ignore being awarded first base on interference or obstruction).

The Royals and Texas Rangers share a $48 million multi-purpose recreation/sports complex in Surprise, Ariz.

The stadium and amphitheater complex and baseball practice fields are incorporated into a master-planned municipal center, including administrative offices, recreation/aquatic center, 23,000-square-foot library, and 35-40 acre passive park.

Surprise is approximately 35 minutes Northwest of Phoenix, past Sun City West off Highway 60. The complex is located on 125 acres in the vicinity of Bullard Avenue and Greenway Road.

HOK Sport, an internationally renowned Kansas City architectural firm devoted to creating exceptional sports facilities, was designated to design the facility.

Groundbreaking took place with Hall of Famers George Brett and Nolan Ryan in attendance on May 21, 2001. The facility was dedicated during a special ceremony and community celebration attended by members of the Royals and Rangers on Dec. 7, 2002. The 2 teams played the 1st game at the complex on Feb. 27, 2003, with the Royals coming away with a 6-3 win.

The Royals will look to defend its 2003 Cactus League title during its 32-game spring schedule. The Royals will play 15 home games at Surprise Stadium and will also face the Rangers as the visiting team in 2 additional games at the facility.
